

Appropriation Account 2019

Vote 15

Secret Service

Introduction

As Accounting Officer for Vote 15, I am required each year to prepare the appropriation account for the Vote and to submit the account to the Comptroller and Auditor General for audit.

In accordance with this requirement, I have prepared the attached account of the amount expended in the year ended 31 December 2019 for the Secret Service.

The expenditure outturn is compared with the sums granted by Dáil Éireann under the Appropriation Act 2019.

A surplus of €266,000 is liable for surrender to the Exchequer.

The Statement of Accounting Policies and Principles and notes 1 to 3 form part of the account.

Statement of Accounting Policies and Principles

The standard accounting policies and principles for the production of appropriation accounts have been applied in the preparation of the account.

Statement on Internal Financial Control

Prescribed arrangements are in place with the Department of Justice and Equality and the Department of Defence for the drawdown of moneys from the Secret Service Vote and for the annual certification by the relevant Ministers of moneys actually expended during the year, as well as balances at year end.

For security reasons, restrictions are in place regarding operations and information about the individual transactions. This places a limitation on the normal direct controls available to me as Accounting Officer of a Vote. In the circumstances, I rely on annual certified statements signed by the Ministers to whom moneys have been issued, which are underpinned by operational controls put in place by their Departments.

Opinion on the appropriation account

I have audited the appropriation account for Vote 15 Secret Service for the year ended 31 December 2019 under section 3 of the Comptroller and Auditor General (Amendment) Act 1993.

In my opinion, the appropriation account

- properly presents the receipts and expenditure of Vote 15 Secret Service for the year ended 31 December 2019, and
- has been prepared in the form prescribed by the Minister for Public Expenditure and Reform.

Basis of opinion

I conducted my audit of the appropriation account in accordance with the International Standards on Auditing (ISAs) as promulgated by the International Organisation of Supreme Audit Institutions. My responsibilities under those standards are described in the *Preface to the Appropriation Accounts*. I am independent of the Department of Public Expenditure and Reform and have fulfilled my other ethical responsibilities in accordance with the standards.

For the purposes of this audit, I have been furnished with certificates from the Minister for Justice and Equality and the Minister for Defence which support the expenditure from the Vote. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Report on the statement on internal financial control, and on other matters

The Accounting Officer has presented a statement on internal financial control together with the appropriation account. My responsibilities to report in relation to the information in the statement, and on certain other matters upon which I report by exception, are described in the *Preface to the Appropriation Accounts*.

I have nothing to report in that regard.
